

Our Mission

To **give hope** and bring **lifelong change** to those we find suffering through the power of:

- The Good News
- Good Health
- Good Education

Our Vision

To see the people we support become able to help others both spiritually and physically.

The concept of preparing them to help others will drive our plans and our programs...

Orphan Care Program

Give Hope Global Directors feel strongly that they must address the basic needs of the children and staff, including nutrition and health. People who are sick, malnourished, or in pain are at a huge disadvantage.

Your gifts will be used to feed, educate and teach the Word of Christ to orphans. The Give Hope staff is completely volunteer so 100% of your donation goes directly to the care of God's children with no administrative fees.

Give Hope History

Give Hope was born as a result of the desire of its founders to insure the support and welfare of the children at the Cambry Orphanage located in Les Cayes, Haiti. The orphanage is owned and operated by El Shaddai Ministries Int'l (ESMI), a Haitian ministry which has planted 81 churches and operates numerous schools and orphanages.

The primary goal of Give Hope is to help people move from needing to be helped to being able to help others. As a first step in that direction, Give Hope provides nutritional and educational costs for over 200 children in two Haitian orphanages and also leads teams to Haiti four times a year to provide medical and dental checkups. Entrepreneurial start ups in agriculture and equipment rental are currently in progress.

In 2013, Give Hope began implementing a medical ministry to address acute care issues of the children and staff at the orphanages and to create a public health program to help prevent diseases and promote lasting improvements in overall community health. Give Hope currently supports a full-time Haitian doctor as well as 14 Community Health Workers who provide ongoing support for the orphans and the community.

Saturday, November 7, 2015
6:00 pm
Westin Charlotte

601 S College Street
Charlotte, NC 28202
<https://givehopeglobal.ejoinme.org/gala>

If you have an auction item you would like to donate, please email
Kim Klein at
Kim.givehopeglobal@gmail.com

Proceeds from the Gala will be used to fund our Community Health System and Aquaponics Program, to purchase a safe and efficient cooking system and to equip the vocational school with the facilities, tools and materials necessary to train the students.
